This letter is written as recognition for all of the hard work, dedication and outstanding performance all the employees at Digital Future have demonstrated in the last two years.

The sales team at Digital Future, led by Rick Vukadinovich, have demonstrated the outmost of consideration in providing us with tailored and custom solutions for The Tal Group Inc. all telecommunication requirements, meeting our unique business needs; while showing us the highest of respect.

The Digital Future technicians and programmers are professional, friendly, approachable, capable and highly dependable. When additional work was required the Service Department of Digital Future Voice & Data responded promptly and efficiently.

Overall, we are very happy with the working relationship we have had with Digital Future Voice & Data. Employees are highly knowledgeable, responsible and skilled group of individuals focused on providing customer satisfaction.

The TAL Group Inc. would recommend Digital Future Voice & Data without any hesitation to anyone looking for an interconnect company and telecommunication solutions.

Yours truly,
