Rick Vukadinovic
Digital Future
312-1797 Queen St. East
Toronto, ON M4L 3Y5

To Whom It May Concern

This is to confirm that Rick and his team at Digital Future installed the phone system in our office. From the initial design phase of the entire system to complete installation and training Rick showed exemplary knowledge and professionalism throughout the process.

Delivery and installation was carried out without any downtime and completed on time and without a hitch.

I have no hesitation in recommending Digital Future and their technical team for your communication requirements.

Sincerely,

Pradosh Nag
Manager - Systems
